It's the season for the international sports and the debut of Powerchair Hockey in Victoria. Both Powerchair Football and Powerchair Hockey have pathways to national and international levels. Anyone who uses an electric wheelchair for everyday mobility can play both sports. Both sports are strictly non-contact.

**Powerchair Football** is played with two teams of four players. Players use their electric wheelchair to push and 'spin-kick' a 330mm Football. Powerchair Football is a very tactical sport that requires skill, team work and communication.

**Powerchair Hockey** is broadly based on Ice Hockey/Floorball. A barrier surrounds the court which allows players to rebound the ball. Five players on a team, two must have 'T-Sticks'.

**Location:** Aquahub, 11 Civic Square, Croydon  
**Time:** 1:00pm – 4:00pm (Arrive by 12:30pm)  
**Sports:** Powerchair Football & Powerchair Hockey
